**TO WHOM IT MAY CONCERN**

This is to certify that Mr. A.N.M RASHED is a senior teacher of this institution. He has been serving here from 13<sup>th</sup> January 1996 till today. His date of birth is 21 January, 1971 and he is a citizen of Bangladesh by birth. As per our service record there is no departmental case against him. According to doctor's report he has been suffering from severe renal trouble. He went to New Delhi in India two times for treatment. Now he want to go for follow-up. and already he has been permitted for treatment for abroad as per issue no 37.02.0000.106.25.010.19.907 date 22/09/2024 by DSHE. In this circumstances I have no objection if he leaves the country for better treatment in India.

I wish his every success in life.
